

Shropshire Paddlesport

Boat Maintenance & Repair Levy

Shropshire Paddlesport Club is very lucky to have a wide variety of kayaks for our members to use, enabling them to try out a number of paddlesport disciplines.

Up until now we have not made any allowances to finance the maintenance and repair of these boats. It has therefore been agreed that we introduce a "Boat Maintenance & Repair Levy". This "levy" will be collected at the time of membership registration or renewal. Monies raised from this "levy" will be kept separate from normal club funds and be used should the need arise. It is hoped that a small contribution from each member will go a long way.

Remember, the more care we take looking after the boats, the less repairs and maintenance we will have to make and the "levy" can be reviewed accordingly.

If, however, you feel that you never make use of the club equipment and boats and only use **100%** of your own equipment, you have the option to "opt out" of the levy.

Please complete the tear-off slip below and return with your membership registration/renewal form together with payment (membership & levy can be combined in one cheque).
